Gloria, Gloria

We all walk the same earth
We all breathe the same air
We all feel the same rain that falls
Every knee will bow down
Every tongue will say out loud
That You're the King and Maker of all

[chorus]

All God's children
All God's children
Sing gloria (Woh-o)
Sing gloria
All creation
Come before Him
Sing gloria (woh-o)
Sing gloria

We all have the same heart
Beneath our skin the same blood
Flowing from our Maker's hands
We all wear the same wrong
But we're covered by God's Holy One
Our voices sing
And we can't help but stand

[chorus]

All of my sins are washed away
Covered with love and saved by grace
So let the earth resound with this
The sound we make

[chorus]

All God's children
All God's children
Sing gloria (Woh-o)
Sing gloria
