Doo  
Oh oh oh oh  
Doo  
Yeah  
Ive no problem receiving from a God who could set me  
free yeah  
Ive no problem believing maybe He came and He died  
for me  
But condemnation and judgement I hate  
Conversation and endless debates  
Show me something real  
Live it in your life  
Maybe Im the fruit (pop) hanging on the vine  
Doo  
Yeah  
Ive no problem with compassion or a little bit of dignity  
yeah  
But you haven't asked me a question  
All you do is you patronise me  
Condemnation and judgement I hate  
Conversation and endless debates  
Show me something real  
Live it in your life  
Maybe Im the fruit hanging on the vine  
Doo  
Were all Gods creation (clap clap clap)  
Not just those who agree (pop)  
If we don't love (echo: if we don't love)  
Every heart  
Then we make God a lie  
And we simply justify  
All the reasons why  
People don't believe (rmm rmm)  
Doo  
Doo Doo Doo Doo Doo Doo Doo Doo Doo Doo Doo  
Bring it Down  
Alright, check it out  
So this guy says to me he says you know  
He said ask those people just to clap in a second not  
right now  
And he said gee they're nice people  
He said you know I don't I don't really hate God

I just don't like it when people  
You know assume that I don't know anything just  
because I don't go to church  
I said that's fair  
He said yeah you know  
They assume that I know nothing that I-I believe in  
nothing  
And we talked for a while  
And this is pretty much exactly what he said  
Well  
We sort of made it poetic  
And we took out some words  
This is what he said  
I've no problem receiving from a God who could set me  
free  
I've no problem believing maybe He came and He died  
for me  
But condemnation and judgement I hate  
Conversation and endless debates  
But sometimes I feel I know more  
All these crazy (knocking) people knocking on my door  
Doo  
Oh oh oh oh  
Doo Doo Doo Doo Doo Doo Doo  
He said can you let the people clap with the drums  
(clap to drums)  
One two three four  
Doo  
Doo Doo Doo Doo Doo yeah Doo Doo Doo Doo Doo stop!
