(music)

Sometimes you gotta run,
Into the arms of danger.

Sometimes you gotta be
The sacrifice.

Sometime you gotta say
Things that don't come easy.

They say, "just follow your heart",
Yet but what if it lies.

And God only knows how to play
This game called Life and Living.. .

(chorus)

So hold me.

Light a candle in the
Window pane tonight.

Stop me running from the things
That could save my life.

(verse 2)

Well, you know i tried,
I tried to make you love me.

And i should've known,
It would make you run.(yeah)

Some people always want,
Just a little more that the given.

When is finally cought,
The it loses it's life(ooh)

And God only knows how to play

This game called Life and Living.. .

(Chorus x4)

(3 times)

You better run, run, run,
Run you better run
