Who do you say that I am?
Am I the One or just a man?
What does your heart say is true?
How does your mind think it through?
Is there peace in what you do?
Are you the breath inside of me?
Are you the light when I can't see?
I'm on this road to find what's true
Is my destination you?
If you're still you will hear
The Spirit's voice in your ear
The storm will pass, the sky will clear
Are you the voice inside my heart
Telling me that I'm all right?
Are you the blood inside these veins
Flowing again and again?
Are you Messiah Holy One?
The promise of what was to come
Are you the future and the past?
Tell me I'm home at last
