I'm afraid I see nation fighting nation
I hear war has gathered in the air
Will my child live a life of freedom?
And I will I stand true until the end
I hold on to the things you said, you said...
I'll be with you, I'll be with you
With you until the end of the world
I see fire earthquake and famine
I hear men say they are "the one"
All these things you said were going to happen
I'm still afraid, keep me steady in my heart
I'll be with you when the sun doesn't shine
I'll be with you at the end of all time
I'll be with you when the stars fall from the sky
I'll be with you forever
We hold on to the things you said
