Your love is everything to me
Your love is everything to me
I'm so glad you found me
I'm so glad I found You
I'm so glad I listened to You
Whisper in my ear
You told me that you loved me
Yu told me I was lovely
You overlooked the ugly
And you washed away my fear.
Your love is everything to me, to me
It's all I want
And it's all I have
And it's all I see
And it's all I need
Your love defines me
Builds and refines me
Your love is pure and real
And holy holy
