CLOSE ENOUGH TO TOUCH  
music and lyrics by Mike Hudson

I see heaven in your eyes  
When I stand beneath your skies  
Your love fits me like a glove  
When you're close enough to touch

When I hold you tight  
(When I hold you)  
On a summer night  
(When I hold you)  
I know the time is right  
When you're close enough to touch  
Close enough to touch

I felt a cool wind in my hair  
Then I dreamed I saw you there  
But somehow it was not enough  
I need you close enough to touch

I reach out through thick and thin  
Lost and found  
If I open my eyes  
Will you still be around....
