DREAMSCAPE

music and lyrics by Mike Hudson

Sleep in the warmth of illusion  
Dream to the beat of the sun  
There will come days I'm sure  
When you will understand that  
You've got it all in the palm of your hand

Breathe deep, take it easy  
Time is your freedom is your time  
Maybe you're angry now  
Because you don't understand  
But you've got it all in the back of your mind

Sometimes you feel  
Like nothing is real  
The world is a nightmare  
You're caught in a trap  
Of your own devise  
It's all in your eyes  
Feels like your mind is gonna snap

Let freedom ring  
Let your heart sing  
Let everything take control...

Moon shines like a neon sign for tomorrow  
It's a slow ride to the other side of dawn  
Maybe you'll someday wake up  
Then you will understand that  
You've got it all in the palm of your hand
