HEAVEN SENT AN ANGEL
music and lyrics by Mike Hudson

Heaven sent an angel down to carry me away
But all she said to me was "I can not stay"

Heaven sent a dream come true to take away my pain
But now she's gone, I'm wondering
Will I ever see her again

Across my space
Across my time
She flows in and out my mind
Above the clouds
Beyond the moon
Arriving not a day too soon

Heaven sent an angel
Heaven sent a dream come true
Heaven sent an angel
Heaven sent a girl like you

Heaven sent an angel here to mesmerize my soul
I know that she has me and she won't let go

Heaven sent a goddess lover
She calls me on the phone
When she's away and I'm alone
My heart keeps turning to stone

She's on my mind when she's on the line
She tells me that she's doing fine
I reach to her so far away
I don't know what to do or say

Heaven sent an angel down
To open up my eyes
She gave her love so openly
It took my quite by surprise

Heaven sent an angel here

To mend my broken heart
When she's gone it feels as though
My life is falling apart
