"I'd Bleed You"

You're so inside of me
I can feel you slipping through my veins
Oozing through my arteries
Like a bubble heading for my brain

I can feel you pounding in my brain
Like Athena in the head of Zeus
You're so tangled up inside my veins
Cut me open, baby, I bet I'd bleed you

As you trickle through
You send a wicked shiver up my spine
I wonder if I've got your nerve up
Or baby have you got mine

I can feel your pulse inside of me
Can you feel me breathing when you do
You're so tangled up inside my veins
Cut me open, baby, I bet I'd bleed you
