"Makes No Sense At All"

Visit "[Makes No Sense At All](#)" on MotoLyrics.com

Life is like a roller-coaster ride
Full of doubt one day and the next full of pride

If you stop and think about it
Sometimes it makes no sense at all

Your nights are bright and your days are dark as coal
You gave it all, then you gave a little piece of your soul

Are we in heaven, or is this hell on Earth
We can't go on living, but we can't give back our birth

One and one and one and one is four
You've got it all, but now you wanna get a little bit more
