"Rose-Colored Glasses"

Visit "[Rose-Colored Glasses](#)" on MotoLyrics.com

Once in awhile I catch a glimpse
The future is good, what I can see
But now and then your ghost reveals itself
I don't know why you always haunt me

I'm looking at the world through a pair of...
Rose-colored glasses
And everything I see before me turns to shades of grey
As it fades away on this starless day...

I put a candle on the window sill
A beacon cutting through the dark
For every step I've taken forward
I find myself returning to the start
