SIMON SAYS

music and lyrics by Mike Hudson

I, I can see the fools  
They play the game  
Don't know the rules  
High, high up in the sky  
They hang their heads  
And their egos run dry

And now the decision is yours  
You will make it for better or worse  
This is the fever that brings on the curse

Don't do what Simon Says  
You gotta think for yourself  
Don't do like Simon Says  
Or you'll be like everyone else

Dry, dry, just like a rock  
They keep their hearts inside a metal box  
March, march like a machine  
In single file to the latest extreme

Don't do like Simon Says  
(Don't do like Simon Says)  
Don't do like Simon Says  
(Don't do like Simon Says)  
Don't do like Simon Says  
(Don't do like Simon Says)  
Don't do like Simon Says  
(Don't do like Simon Says)

Jump, jump into the flame  
The pressure's on to make a name  
Bye bye, you've sold your soul  
For a life for which you've no control
