STAY WITH ME
music and lyrics by Mike Hudson

When we touched
I felt a spark
What is it there
Exists between us
Is it love
Or is it lust
Is it so hard hard hard
For you to trust me with your love

I'll never break your heart
I'll never take you down
I don't know where to start
Maybe you'll come around
And stay with me...

When we talk
I hear your voice
And then I know
I've got no other choice
I write a song or two
I send along to you
Is it so wrong wrong wrong
For you to trust me with your love

I knew it the first time that we met
You've got those eyes that I could never forget
I felt it the first time that you spoke
Something deep inside myself had finally awoke

When you arrived
I got excited
I saw your face
My heart invited
We had a laugh or two
That's all I got from you
Is it a crime crime crime
For you to trust me with your love
