WARNING LIGHT
music and lyrics by Mike Hudson

Where do we go from here
Each day another year
The future is drawing near
So where do we go from here?

I don't know which way to run
I don't know which way to turn
I don't know which way to get out of here
(Get out of here)

Another sleepless night
Beneath the warning light
A million miles from home
Wide awake, alone

A season has come and passed
A question that must be asked
A season come and gone
The answer must be known
