Lean on me
Follow me ...
... in ...
It's ...
... for the stars to change
...talk...
I'm impatient for the sun to change
So ...
... connected

...
And I miss you
...
... never seen you
...
...
...
... ever want

...
I'm impatient for the sun to go down
'cause I am waiting for the stars to change
...
... clear the street
I had a sweet memory what I said before yeah
...
Seen and done and did it
Done it all before
Just say I'm optimistically paranoid
