Oh, the devil is in me  
Oh, the devil is in me  
Oh, the spirit is in me  
Oh, the spirit is in me

I don't know what I should do now  
Show me what I should be doing now

Am I wearing my right dress?  
Am I wearing the right shoes?  
Am I wearing my right face?

You just hate me for being born  
You just hate me for being me  
You just hate me for being born  
You just hate me for knowing you  
[...]

All I ever wanted  
Was to be the night in your eyes

Am I thinking the right things?  
Am I in my right mind?  
Am I wearing my right head?

You just hate me for being born  
You just hate me for being me  
You just hate me for being born  
You just hate me for knowing you  
[...]

Do I have a real heart?  
Do I think with an open mind?  
Do I have real blood?  
Pumping through my veins  
Moving through my veins  
Moving through my veins

Pressing between  
Pushing through my veins

You just hate me for being born  
You just hate me for being me
