I had a heart
But I buried it someplace
I had a brain
But my body won the race

I dream in pictures
Pictures of you
A figure of eight
Just won't do

Oh yeah
Oh yeah

You picked the fruit
That gave you a sweet taste
You walk the tightrope
Unwilling to see straight

You pick me up
Then you pull me down
Made up your mind
That I'm the clown

Oh yeah
Oh yeah

Accidentally
We walked away too fast
Accidentally
We walked away too fast

Accidentally
We walked away too fast
Accidentally
We took too much

Was it magic
That redefined?
The missing link
To blow your mind

You had a dream

And you thought it religious
You had a taste
And it made it contagious

It rips you up
Then it spits you out
Makes you know
What it's all about

Oh yeah
Oh yeah

Accidentally
We walked away too fast
Accidentally
We walked away too fast

Accidentally
We walked away too fast
Accidentally
We took too much

Was it magic
That redefined?
The missing link
To blow your mind

Accidentally
We walked away too fast
Accidentally
We walked away too fast

Accidentally
We walked away too fast
Accidentally
We took too much

Oh yeah
Oh yeah
Oh yeah
Oh yeah

Was it magic
That redefined?
The missing link
To blow your mind

Oh yeah
Oh yeah

Was there tragedy

In the things we did?
Now I know
There's no place for it

Oh yeah
Oh yeah

Was it magic
That redefined?
The missing link
To blow your mind

Oh yeah
Oh yeah

Was there tragedy
In the things we did?
Now I know
There's no place for it
