The months go by
I don't think of you
The signal is frail
An imprint of what you do

So I turn up the sound
And you are nowhere
I have learnt this to my cost

But I maintain
In the slow lane
I maintain
In the slow lane

The scent goes by
Still I smell of you
You say I cry
At the merest thought of you

So you let me down
To laugh at nothing
I have learnt this for myself

But I maintain
In the slow lane
I maintain
In the slow lane

So I turn down the sound
And you are nowhere
I have learnt this to my cost

But I maintain
In the slow lane
I maintain
In the slow lane
I maintain
In the slow lane

So turn down the sound
You are nowhere
You let me down

To laugh at nothing

I have learnt this to my cost
I have learnt this for myself
I have learnt this to my cost
I have learnt this for myself

I have learnt this to my cost
I have learnt this for myself
I have learnt this to my cost
I have learnt this for myself
