i will reach out  
to switch you on  
i will reach out  
till you come  
i will reach out  
to turn you on  
i will reach out  
until you come  
we're the masters  
of the superblaster  
"don't start playing games  
you can't finish  
don't open doors  
when you don't know what's waiting  
don't try to close your hands  
they're smaller than the rain  
have you got anything left to say  
before i shoot myself"  
i will reach out  
to find the truth  
i will reach out

to steal your youth  
we're the masters  
of the superblaster  
"don't start playing games  
you can't finish  
don't open doors  
when you don't know what's waiting  
don't try to close your hands  
they're smaller than the rain  
have you got anything left to say  
oh no  
oh no  
i will reach out  
to switch you on  
i will reach out  
to steal your youth  
an that's the god's honest truth  
we're the masters  
of the superblaster
