She's had a psychotic dream
For the last ten days
She feels as if she's sinking
In and out, in and out, in and out of [Incomprehensible]

She combs up her hair, she think she's a queen
Starts telling all the choir boys she's this
She dresses in black only for the occasion
She thinks she's a Negro, but she's only Caucasian

She can't tune in
She can't tune in
She can't get off that bus
Can't get off that bus

She can't grab hold
She can't grab hold
She's a mess this girl
And [Incomprehensible]

Instead of watching my own dream
This is not what it seems, so calculated
Now that it's completed
I'm cautious with daylight, I'm frightened by sunlight
But I know those nights has to keep me from harm

She can't tune in
She can't tune in
She can't get off that bus
Can't get off that bus

Can't grab hold
She can't grab hold
She's a mess this girl
Please try

Keep on keeping me from harm
Keep on keeping me from harm
Keep on keeping me from harm
Keep on keeping me from harm

Keep on keeping me from harm

Keep on keeping me from harm
Keep on keeping me from harm
Keep on keeping me from harm
