I heard the news baby
All about your disease
Yeah, you may have all you want baby
But I got somethin' you need, oh, yeah

Ain't talkin' bout love
Baby, it's rotten to the core
Ain't talkin' bout love
Just like I told you before, yeah, before

You know you're semi-good lookin'
And on the streets again
Ooh yeah, you think you're really cookin' baby
You better find yourself a friend, my friend

Ain't talkin' bout love
Baby, it's rotten to the core
Ain't talkin' bout love
Ain't gonna talk about love
Just like I told you before, before, before, before

Ain't talkin' bout love
Baby, it's rotten to the core
Ain't talkin' bout love
Just like I told you before, before

I been to the edge
And there I stood and looked down
You know I lost a lot of friends there baby
I got no time to mess around

If you want you got to bleed for it baby
Yeah, you've got to, got to bleed for it baby
You've got to, got to bleed for it baby
Hey, you've got to, got to bleed baby

Ain't talkin' bout love
Baby, it's rotten to the core
Ain't talkin' bout love
Just like I told you before, before, before

Ain't talkin' 'bout love

Don't wanna talk about love
Don't need to talk about love
Ain't gonna talk about love no more, no more

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
