It's about time, I can't wait any longer  
Got a winter-long thirst for where the sun is stronger  
I got nothin' to do  
We'll talk about the days of old  
And we'll sit around and drink beer that's cold  
We both know there's nothin' better to do  
No more workin' all day, nothin' making us stay  
Except it's better here now than it was yesterday

It's alright as long as you don't mind a good time on a  
Friday night and it's  
Robert Keen, he's floatin' on a breeze through the  
cedar trees  
And it's all I need to set me free

Sittin' in the back of this pickup truck  
I know I've no shortage of luck  
On this Texas summer day  
Drivin' through the river well it soothes my soul  
Sippin' iced tea and I feel at home  
Content to know no other way  
Got ol' Lyle on the stereo, got an endless dirt road  
Got nowhere that I gotta go
