I'm not fucking down with you  
All the crap from your bullshit crew  
Don't wanna be a part of things you do  
Fuck you and your point of view

You're telling me you're the master race  
Well I believe you're the world's disgrace  
Hollow lies, fascist salutes  
Fuck you and your point of view

Left, right on you march  
You're from a bygone age  
Ain't you heard the news  
There ain't no master race

How many died in World War Two  
Fuck you and your point of view

Left, right on you march  
Reliving glory days  
Ain't you heard the news  
There ain't no master race  
Sieg heil, hands held high  
Wipe you out without a trace  
Persecute cunts like you  
I hope that hell awaits  
Put a  
Fuck you

I'm not fucking down with you  
All the crap from your bullshit crew  
Don't wanna be a part of things you do  
Fuck you and your point of view

Left, right on you march  
Reliving glory days  
Ain't you heard the news  
There ain't no master race  
Sieg heil, hands held high  
Wipe you out without a trace  
Persecute cunts like you  
I hope that hell awaits

Fuck you
