Across the mountains in the summer time
They roll straight out of the plains
Took to livin in a northern town
Where nobody knows my name

Sun is hotter than the salsa here
The salsa here don't mess around
So I just sit out in the shade all day
And watch the clouds roll in and out

Chorus

I know a good place to find a bad man
He can get you whatever I can't
Cause you wont mind, if you never go home
Out in the mountains in Neuvo Leon
Out in the mountains in Neuvo Leon

They aint got no margaritas here
Unless the Jueros pay enough
They got liquor in the grocery stores
And it's as cheap as the roads are rough

Chorus

I know a good place
To find a bad man
He can get you whatever I can't
Here it's easy to forget where your from
Out in the mountains in Neuvo Leon
Out in the mountains in Neuvo Leon

The Texas rivers still call my name
And I hope I wont be too long
Then again I got another day
And I got time for one more song

Chorus

I know a good place
To find a bad man
He can get you whatever I can't
Cause you wont mind if they bury your phones
Out in the mountains in Neuvo Leon

Out in the mountains in Neuvo Leon

Across the river in the summer time
It rolled right on down the plain
Took to livin in a northern town
Where nobody knows my name
