Desire was a fire  
My teardrops were rain  
Your love was wilder than the wind  
And twice as hard to tame  
My dreams are torn and tattered  
But my memories remain  
Well, after the hurricane

Your eyes flash like blue lightning  
Your lips were thunderbolts  
And every time you kissed me  
I felt 20.000 volts  
But now my heart is shattered  
Like a broken window pane  
Yeah-yeah, after the hurricane

Ashes to ashes and dust into dust  
Boys are just toys  
That you play with and bust  
Baby I won't rest until I know why  
Everything you touch must wither and die  
Well, each time I think about you  
I tremble and I shake  
You used me, you abused me  
Then you left in your wake  
To you it never mattered  
But I'll never be the same  
Well, after the hurricane

Mmm, ashes to ashes and dust into dust  
Boys are just toys  
That you play with and bust  
Baby I won't rest until I know why  
Everything you touch must wither and die  
Well, each time I think about you  
I tremble and I shake  
You used me, you abused me  
Then you left in your wake  
To you it never mattered  
But I'll never be the same  
Well, after the hurricane

Oh yeah... well, after the hurricane  
Mmm... well, after the hurricane
