The general is a man  
Whose true love ran away  
The colonel found his sweetheart  
In another's arms

The captain also learned  
That love just doesn't pay  
And now that I have lost your charms

I think I'll join the brigade  
The brigade of broken hearts  
Where instead of reveille  
They play the blues

We never won a war  
In the battle of l'amour  
The brigade of broken hearts

You said you'd always love me  
And that I would be the only one  
Whose arms would ever hold you near

But then last night  
Your lips and arms deserted me  
Here comes another volunteer

To sign up for the brigade  
The brigade of broken hearts  
Where instead of reveille  
They play the blues

We never won a war  
In the battle of l'amour  
The brigade of broken hearts

Instead of rifles  
They all carry handkerchiefs  
So they can wipe away  
Each sad and lonely tear

I better get another  
Dozen handkerchiefs

I'm the biggest loser of the year

I'm gonna join the brigade  
The brigade of broken hearts  
Where instead of reveille  
They play the blues

We never won a war  
In the battle of l'amour  
The brigade of broken hearts
