Come to me at twilight
Love me in the quiet
Of the day that's dying
Madness holds me waiting
Hoping the time will be taken
Across the silence eerie
Darkness calls the sun down
Love light fills the gloom

Day beaks my heart
Takes you away
Wake and we part
Break for the day, oh
You take my heart
When can you stay?
Day breaks my heart
Takes you away

Leave me in the shadows
Haunted by the low
Phantoms drenched in darkness
Love, a veil of stardust
Liftin' the center, the twilight
Rushes through the quiet
Shades have grown higher
Lovin' through the night

Day breaks my heart
Takes you away, oh
Wake and we part
Break for the day, oh
You take my heart
When can you stay? Oh
Day breaks my heart
Takes you away

Leave me in the shadows
Haunted by the low
Phantoms drenched in darkness
Love, a veil of stardust
Liftin' the center, the twilight
Rushes through the quiet

Shades have grown higher
Lovin' through the night, woah
Woah, woah, woah

Day breaks my heart
Takes you away, oh
Wake and we part
Break for the day, oh
You take my heart
When can you stay? Oh
Day breaks my heart
Takes you away
