Visit "[Dazed](#)" on MotoLyrics.com

Well here I go again
Get ready to start the machine
And remove all trace of blue
With a smile as I leave the dressing room

Dazed by the lights of fame
Go on and begin my reign

Well now we're all alone (all alone)
Entertaining each other this way
I'll sing you a new love song (new love song)
While you sew me a veil of nothin' wrong

Burned by the lights of fame
Feel warm, yet I feel no pain

Give it all (give it all)
Give it all
To you (to you)
And I'll
Give even more (even more)
Even more
To you (to you)

And now it's time to go (time to go)
Get ready to pack the machine
And when I'm away from here (far from here)
All that's left are empty cans of beer

Will you remember me?
I know I'll remember you

Give it all (give it all)
Give it all
To you (to you)
And I'll
Give even more (even more)
Even more
To you (to you)
[repeat stanza from "Give it all" to "(to you)"
continuously, fade]
