Juno  
Was a star  
Everyone loved how he sang  
They would  
Follow him  
Like the pied piper of Hamelin  
With a song he'd make them cry  
Then he'd take them, make them laugh  
When he sang, it felt like magic  
He was the king of them all

Some who  
Heard him sing  
Thought he was touched by the devil  
Juno  
Didn't care (Juno)  
He'd seen this before (didn't care)  
They would still be there to see him (this before)  
Watchin' every move he made them (there to see him)  
Lovin' every note he sang them  
He was the king of them all

Juno  
What's your secret?  
Are you human?  
Juno  
How'd you do it?  
Is it magic?

Just be-  
Fore he died  
Juno sent out for his critics  
When they  
All arrived  
{He}Told them that he kept a secret  
Secret of his great successes  
Now he was about to share it  
But before a word was spoken  
He died and so nobody knew

Juno  
What's your secret?

Are you human?  
Juno  
How'd you do it?  
Is it magic?
