What's that fussin' little Lane?
Aw, they hear you've gone insane
Callin' kids and pushin' blame
Police got numbers, but no name

Stop this chain
Stop this same
Kids to blame
Kids to blame

Hold it ,man. It ain't done
He knows who's right and who is wrong
But kids are wrong, {they}ain't got no rights
They get the fulls of being on strong
Stop this change
Stop this same, yeah
Kids to blame
Kids to blame

[repeat both choruses numerous times to fade]
