One life is not long enough to do everything I want to do  
One hundred years may be not too long for me!  
So many things that I want to try out and I will be having  
so many  
Of the greatest moments I'll be laughing and crying, I  
won't be  
Regretting my life so...

Go now! Start now! I will be finding something new!  
Go now! Start now! To be what I want to be and we're  
all meant to be!

I need someone to go with and I need someone to  
share this  
Such a wonderful feeling that I really love to feel!  
I wish he and she were here to share such a beautiful  
moment but  
I have to be happy with what I have to be happy with  
I know so let us...

Go now! Start now! I will be creating my own future!  
Go now! Start now!  
One hundred years is not too long! Not too long for  
me!

I wish I should see you... to tell you how the things are  
going...  
I have so many good stories to tell you... I say now...

Go now! Start now! I will be finding something new!  
Go now! Start now! To be what I meant to be!  
Go now! (not too long for me)Start now! (not too long  
for me)I will be creating my  
Own future!  
Go now! (not too long for me)Start now! (not too long  
for me)  
One hundred years is not too long! Not too long for  
me!
