Just want to have a lot of fun
Just want to enjoy myself, live today is my way!
Wasting the time is so fool!
Just want to feel the wind, jumping high makes my day!
Everybody lives, so till then...

So good to dream, so good to share
(Don't you think... ?)
So good to live, well, so good if I can love myself!
So try to find, so try to learn
(Not so hard... ?)
So try challenge myself, try to find a new key
Everybody lives, so simple that's the rule
Everybody dies, so simple that's the rule

Wow wow wow
Don't live dead today, die live tomorrow
Wow wow wow
Don't live dead today, die live to give
Wow wow wow
Don't live dead today, die live tomorrow
Wow wow wow
Don't live dead today, die live to give

Sometimes I stop and ask myself
(Ask myself)
How can I really be, satisfied and fulfilled?
Then something whispers in my heart
(In my heart)
Go walk! Go jump! Go climb! Go shout and go on!
Everybody lives, so simple that's the rule
Everybody dies, so simple that's the rule

Wow wow wow
Don't live dead today, die live tomorrow
Wow wow wow
Don't live dead today, die live to give
Wow wow wow
Don't live dead today, die live tomorrow
Wow wow wow
Don't live dead today, die live to give

Wow wow wow
Can you feel it? can you feel it like I do?
Wow wow wow
Can you beat it? can you beat the fear?

Wow wow wow

Don't live dead today, die live tomorrow
Wow wow wow
Don't live dead today, die live to give
Wow wow wow
Don't live dead today, die live tomorrow
Wow wow wow
Don't live dead today, die live to give
