Give and live! With the pride! Life is good!
We're making a Beautiful World!

We are the travelers, traveling time, yes... everyday!
Sometimes smiling, sometimes crying... inside and
outside

(Everyone needs someone to love!)
Everybody needs to feel some love
(Everyone needs someone to love!)
Everybody needs to share some peace and joy!

We were born alone but no one's grown alone
Always being loved, being loved... look around what do
you see?

(Everyone needs to share this world!)
Everybody needs to feel some love!
(Everyone needs to share this world!)
Everybody needs to share some peace!

Somehow we were born and given a life to live in
Life to live in... in this limited life time...
Here we go!

(Give and live! With the pride! Life is good!)
We won't be afraid of death no more!
(Live to give, live to die, live to love)
Making a Beautiful World!
(Give and live! With the pride! Life is good!)
We're here to make my dreams come true
(Live to give, live to die, live to love)
Living a life is so good!

Give and live! With the pride! Life is good!
Oh! What a wonderful thing to live!
Live to give, live to die, live to love
We're making a Beautiful World!

(Give and live! With the pride! Life is good!)
Oh! What a wonderful thing to live!

(Live to give, live to die, live to love)
Making a Beautiful World!

(Give and live! With the pride! Life is good!)
Making a Beautiful World!
(Live to give, live to die, live to love)
Making a Beautiful World!
Making a Beautiful World!
