In the city
Tons of garbage and old dreams
Strong desire
Men and women with false tears
Sleepless nights
It's too bright to see the stars
But it's so much fun!

City life! life!
Nice enough for the life!
City life! life!
Tight but light the life!
City life! life!
Highlight of the life!
City life! life!
The life is a dynamite!

Gray sky and polluted air
But it's so much fun!

In the city
Tons of hope and despair
So much passion
The young and the old with the tricks
Lonely nights
It's too hard to forget
But it's so much fun!

City life! life!
Nice enough for the life
City life! life
Tight but light the life!
City life! life!
High light of the life!
City life! life!
The life is a dynamite!

Are you tough?
Tough enough for the life?
Are you tough?
Tough enough for the life?

City life! life!
Nice enough for the life!
City life! life!

Tight but light the life!
City life! life!
High light of the life!
City life! life!
The life is a dynamite!

City life! life!
The life is a dynamite!
City life! life!
The life is a dynamite!
