Come near me, I need you tonight  
Confused in my own life  
Can not even see the light  
The light I used to see  
Could you talk to me tonight  
Could you tell me softly and smile  
Please remind me that I know  
Everythin' is gonna be alright

Whenever I get lost in this maze  
Whatever hardships I take  
I will never let you cry alone,  
So please stay with me tonight  
I do not know what I am  
It's wired as summer snow  
Just hold me and tell me  
Don't worry, it's nothin' at all!  
I feel like the deepest river runs  
Through inside of my heart  
And it carries tons of tears into my eyes  
I do not wanna cry, I try to dry my eyes,

Why do I have to cry?  
Could you tell me it's alright

Whenever I get lost in this maze  
Whatever hardships I take  
I will never let you cry alone,  
So please stay with me tonight  
I do not know what I am  
It's wired as summer snow  
Just hold me and tell me  
Don't worry, it's nothin' at all!  
I feel like the deepest river runs  
Through inside of my heart  
And it carries tons of tears into my eyes  
I do not wanna cry, I try to dry my eyes,  
Why do I have to cry?  
Could you tell me it's alright

Stay with me and tell me

Don't worry, it's nothin' at all!
