I'm wound tight
Hot-wired
About to explode

I'm seein' red
All hopped up
And ready to go

Well I'm hurtin' and I'm searchin' for a place
Where I can deliver

I wanna scoot so fast that my head snaps
Back together

It's OK, not OK, it's OK, not OK, it's OK...
It's OK, not OK, it's OK, not OK, it's OK...

Go monkey go
Go monkey go
Mojo Jojo

Go monkey go
Go monkey go
Mojo Jojo

Go monkey go
Go monkey go
Mojo Jojo

Tell me tell me where to go
Tell me tell me who to see
Tell me tell me what to do
To fix what's wrong with me!

(laughter of Mojo)

Nararater: Oh this is terrible!
What will Townsville do at this moment of crisis?
Is there any hope at all?
