You make Monday morning cheerful and so bright!
Brighter than a diamond ring! Yeah!
Talking like a singing bird, my spirits rise!
Rise like a morning sun!

In the rain I think about you and your smile!
So that in the darkest night I find!
In the wind I think about you and your smile!
Even in the hottest sun!

I love you! Yes, I really love you! I want to kiss your
hand!
I love you! Yes, I really love you! I want to kiss your
hand!

You give me energy for my life and dreams!
Make me want to do my best! Yeah!
Saying nothing but you are smiling all the time!
With the best of health!

It is much more gorgeous than a DIAMOND RING!

Graceful like a star first shining!
It is much more gorgeous than a GOLDEN CROWN!
Graceful like a wind in spring!

Joys and sorrows, in this life, in this only life...
You give me good energy! I wish I could give you
more! All I want to tell you is...

Joys and sorrows, in this life, in this only life...
You give me good energy! I wish I could give you
more! All I want to tell you is...

I love you! Yes, I really love you! I want to kiss your
hand!
I love you! Yes, I really love you! I want to kiss your
hand!

I love you! Yes, I really love you! I want to kiss your
hand!

I love you! Yes, I really love you! I want to kiss your
hand!
