I have good dreams to light my life and...  
I have good friends who I trust Yeah!  
I love my family! They love me, too!  
I have a very healthy body and mind!

That is good! That is good! I am happy! Very happy!  
That is good! That is good! Everyday and night I thank  
'KAMISAMA'!

They make me happy! I make them happy!  
So many wonderful days!  
So many things happen and come to  
Such very special things happen in my life!

I lost my father when I was a kid and...  
I lost my favorite cat on my birthday!  
I broke my knee when I was eighteen and...  
Sometimes I try to lie to myself!

That is bad! That is sad!  
I'm unhappy! Very unhappy!  
That is bad! That is sad!  
Sometimes I almost doubt 'KAMISAMA'!

They make me wonder... they make me feel down...  
I don't know why they happen...  
Such very special things in my life teach me how to  
live...

Happiness and sadness! Hello! you're my good  
friends!  
Happiness and sadness! Hello! you're my good  
friends!  
You are in my eyes... you live deep inside of my heart!  
Happiness and sadness! I believe in everything I feel!

They make me happy! They make me wonder!  
So many things just happen!  
Such very special things in my life teach me how to  
live...

Happiness and sadness! Hello! you're my good  
friends!  
Happiness and sadness! Hello! you're my good  
friends!  
You are in my eyes... you live deep inside of my heart!  
Happiness and sadness! I believe in everything I feel!
