If you wanna get down you wanna come and chat. Do
you
wanna see me here, well baby why is that? I'm trying to
tell
you I love the feeling I see it on the telephone oh my
gosh
it's ringing.

Chorus

Love is just a thing, that you never take away. But I just
don't
care were you are (echo) time to get it back now. I
(echo)
never get it right now. You (echo) are the one to
say..love is
just a thing (echo).

Love (echo) is a kind of difference. But I don't care
were you are.
'cause I don't really care if I need your help at this
moment (echo)
I was trying to tell you (echo)

Chorus 2x

Love is just a thing, that you never take away. But I
don't care were
you are (echo) time to get it back now. I (echo) never
get it right now
You (echo) are the one to say..love is just a thing.

Rap

Fine! You don't need me go ahead. I'm trying to tell you
that you're
going to be dead. I wish love can be a thing and I'll tell
you..its not!
