Put your old ladies back into bed

Your old men back into their graves

Cover their ears so they can't hear us sing

Cover their eyes so that can't see us play

Get out of the way

Let the people play

We're gonna get down on you

Come alive all over you

Dancin' down into your town

Tyrannosaurus Rex was destroyed before

By a furry little ball that crawled along

The primeval jungle floor

And he stole the eggs of the dinosaur

CLOSE YOUR EYES & CREATE THE SOUND

OPEN YOUR HANDS & REBUILD THE GROUND

We are egg snatchers -

flashin' sunshine children

Diamond thieves

You unleash the dogs

of a grade-B movie star governor's war

While you sit in the dark -

insane with the fear of dying

We'll ball in your parks

- insane with the flash of living

I AM ALIVE

I AM HUMAN

I WILL BE ALIVE AGAIN

So drop your fuckin' bombs

Burn your demon babies

I WILL BE AGAIN -

The rabid lover-feelin' the starch in your grin

Callin' for acid cocaine and grass

And receiving your homemade gin

PUSH THE BUTTON

PULL THE SWITCH

CUT THE BEAM

C'MON MAKE IT MARCH

Sign me up as a diplomat - my only office is the park

You need to be out before you come in

And after you come you go

In the midst of Yang is a smaller part of Yin

And when it happens you know -

THE DAWN COMES

HEY DICK

Whatever you think of us is totally irrelevant

Both to us now and to you
We are the present
We are the future
You are the past
Pay your dues and get outta the way
'Cause we're not the way you used to be
When you were very young
We're something new
We don't quite know what it is
Or particularly care
We just do it - You gotta do it
Open your eyes there's a new world a-comin'
Open your eyes there's a new world today
Open your hearts people are lovin'
Open it all we're here to stay
OPEN THAT DOOR
