Like a smile you give  
Very quiet, very strong  
That's how I want my life to be

Go with what my heart tells  
Live with what I really need  
That's how I want my life to be

Dealing with love and hate is  
Might be a tough and boring thing,  
I'll be ignoring everything  
Which I feel like to ignore,  
Feeling the vibration is a mission that I have  
Giving what I can give and all I can give

A lot of chances in one life,  
Only one life, no regret  
Like a smile you give

A lot of chances in one life,  
Only one life, no regret  
Like a smile you give, you give...

I know what I need,  
But sometimes I'm not sure

What I don't need, what I do not need,

I have a faith in myself  
It's very strong and very warm  
Just like a smile you give, you give

Keep up with the attitude is  
Sometimes very lonely thing,  
Keep up with the attitude is  
Sometimes very trying thing  
But I made up my mind to live and to die with it

I will never give up the mental attitude

A lot of chances in one life,

Only one life, no regret  
Like a smile you give

A lot of chances in one life,  
Only one life, no regret  
Like a smile you give, you give...  
Only one life, no regret...  
Like a smile you give...
