I couldn't trust anyone at all...
I've doubted everything I saw...
I didn't have anything at all I was lonely to the bones!

Then I met a music that I really love...
Now I've learned so much of life from the tunes
I don't know much about it but I believe in a power of
music
Just because...

Rain stops when the music echoes in the sky!
Come on! Come out!
Forget about it! Play it loud!
Rain stops when the music echoes in the sky!
Come on! Come out!
Forget about it! Play it tough and loud!

I depended on a love I had!
I didn't realize what at all...
I didn't have anything at all, I was lonely to the bones!

Then I met a music that I really love...
Now I've learned so much of life from the tunes
I don't know much about it but I believe in a power of
music
Just because...

Rain stops when the music echoes in the sky!
Come on! Come out!
Forget about it! Play it loud!
Rain stops when the music echoes in the sky!
Come on! Come out!

Forget about it! Play it tough and loud!

Rain stops when the music echoes in the sky!
Come on! Come out!
Forget about it! Play it loud!
Rain stops when the music echoes in the sky!
Come on! Come out!
Forget about it! Play it tough and loud!
