Rocket candy
All the colors
Planet happy
She woke up to change the world
Wears her make-up
Shiny shoes
And secret sproket
You're my hero
With the lightning flower
Superpower

(chorus)
Lets go
Chango
Come on girls its almost time to
Freak-oh
Blingo
Were super-sonic cool
Chang Chang
Ker-blang
Rocket Candy

Silly villain
How ya doin
You better watch out
'Cause on the count of three were there
Shouts of "yeah-yeahs"
We can fly
A flash in the sky
Kickin' of the day
Were saving sunshine
While we fight crime

(chorus)
Lets go (lets go)
Chango (chango)
Come on girls its almost time to
Freak-oh (freak-oh)
Blingo (blingo)
Were super-sonic cool (super sonic)
Chang-chang

Ker-blang (ker-blang)
Come on girls its almost time to
Freak-oh
Blingo
Rocket candy

Hearts and stars and moons
And sugar spice perfume
Pink and Green and Blue
Oh-woah
And like a lightning flower
She woke up
Woke up and changed the her world
Gimme some more

(chorus)
Lets go
Chango (chango)
Come on girls its almost time to
Freak-oh (freak-oh)
Blingo (blingo)
Were super-sonic cool (super-sonic cool)

Ker-blang (ker-blang)
Come on girls its almost time to
Freak-oh
Blingo

Blingo (blingo)
Were super-sonic cool
