It's rockin' when I find you and me dancing with the
beat
It is nice to see many people having fun
It's rockin' when I find you and me swinging with the
beat
Feel so good when I sing, feel so free, yeah when I
jump

Burn the nightmares
Smash the illusions
This, all I need to do!

Rock! Rock!
This is what we want to do we'll be rockin' till we die!
Rock! Rock!
This is what we love to do we'll be rockin' till we die!

It's rockin' when I find you and me singing in sun
It is fun to watch crazy people jump around
It's rockin' when I find you and me sweating in the pit
Feel so good when I dive, feel so bad when I dive bad

Kick the violence
Break the chains
This, all I need to do

Rock! Rock!
This is what we want to do we'll be rockin' till we die!
Rock! Rock!
This is what we love to do we'll be rockin' till we die!

Rock! Rock!
Noone will be telling me,
Because I know what to think and how to live
Rock! Rock!
Noone will be telling me,
Because I know where to go and how to die

Rock! Rock!
This is what we want to do we'll be rockin' till we die!
Rock! Rock!

This is what we love to do we'll be rockin' till we die!
