Something wrong... Am I wrong? Another trouble came
to my life!

I don't know what to do!

Every single move, every word and every step I make
seem to cause a storm!

Even though I don't intend it to!

They make me angry and make me want to cry...

The night is endless, I'm so powerless, my life is full of
waste...

Something makes me think that I'm an annoying man!

Some sticky things are stuck in my heart...

Let it go! Let it go slowly! Let it go! Now let it go!

Let it go before the dark comes into my life!

Let it go! Let it go slowly! Let it go! Now let it go!

Let it go before the dark comes into my life!

Some sticky things!

Am I right? Am I wrong? Who am I? How many rivers do
I have to cross?

Is that you? It's you! I knew that was you!

How many mountains do I have to climb?

I don't even know what to do!

They disappoint me, drive me nuts!

Fight is endless, I'm so sleepless, I sing it sha la la...

Something makes me think that I'm an annoying man!

Some sticky things are stuck in my heart...

Let it go! Let it go slowly! Let it go! Now let it go!

Let it go before the dark comes into my life!

Let it go! Let it go slowly! Let it go! Now let it go!

Let it go before the dark comes into my life!

Some sticky things!

Let it go! Let it go slowly! Let it go! Now let it go!

Let it go! Let it go slowly! Let it go! Now let it go!

Let it go! Let it go slowly! Let it go! Now let it go!

Let it go before the dark comes into my life!
Let it go! Let it go slowly! Let it go! Now let it go!
Let it go before the dark comes into my life!
Some sticky things!
