You know we found a place on the land  
Where we can lay down and watch the ocean roll  
And we walk in the sand my lady and me  
And we watch and see the child grow

But the hand of man came runnin thru  
Runnin thru you and me  
Hurricane nighttime sympathy for you and for me

And there ain't no more room here, no more room here  
No more room on this planet to grow

The rambler man he comes and he goes in our land  
And gets you people on and we sing his song  
With a little bit of San Francisco added on  
Gonna get you people here all together, gonna roll,  
Roll on you - try to move your minds together,  
Gonna try to pull you thru -

Sub carbon oscillation, sunshine blurring fascination  
Pulsar craft, moving fast, gonna take me past the hand  
of man to you

The sword of the lord don't mean nothin to me if he  
won't get down  
On the people makin' such a mess of the land and the  
sea all around me...

Got to learn to leave the planet be  
No more room here to fuck around like we did before,  
Just maybe one more chance to leave it be.

SUNFIGHTER - GUNFIGHTER -  
MOUNT THE EARTH AND LEARN TO RIDE HER -  
FEEL THE LAND MOVIN UNDER YOU

I can feel you all around me  
I can feel you huntin, bowstring weary,  
Hear me clearly - I see you -  
And I like it here -  
I like it here

SUNFIGHTER - GUNFIGHTER -  
MOUNT THE EARTH AND LEARN TO RIDE HER -  
FEEL THE LAND, NIGHTTIME HURRICANE - MOVIN  
UNDER YOU
