Take me back, baby, Take me back
In just an hour I'll be arriving
Seems like I'm a world away
I close my eyes and I'm flyin'
Baack to where my heart must stay
Thinkin' 'bout my one dream baby
Won't you take me back
To that lovers' dance
Summer night romance
Out on the docks
Baby take me back
I'm goin' where the
Sea breeze is blowin' through your hair
Little Stevie in the midnight air
Sweet Jesus won't you hear my prayer
Cause I just might die if she's not there
Arm in arm we'll be sailin'
Somewhere out across the bay
Stealin' kisses so amazing
In your daddy's Chevrolet
Listening to Marvin makin'
Some summer soul
Mercy Mercy playin' on the radio
Out on the docks
Won't you take me back
I'm goin' where the
Sea breeze is blowin' through your hair
Little Stevie in the midnight air
Sweet Jesus won't you hear my prayer
Cause I just might die if you're not there
Two fools on a one-way street
I'm still prayin' that we could meet
Out on the docks, Baby take me back
Every time I see your face
The memory of your warm embrace
It's a feelin' I just can't replace
And it always makes me cry
Sea breeze is blowin' through your hair
Little Stevie in the midnight air
Sweet Jesus won't you hear my prayer
Cause I just might die if she's not there
In just an hour I'll be arriving

Seems like I'm a world away
I close my eyes and I'm flyin'
Baack to where my heart must stay
Thinkin' 'bout my one dream baby
Thinkin' bout you
Take me back baby
