Wake again to tea with cinnamon  
Some honey on a spoon it is almost noon  
Walking down the stairs to she'd my morning tears  
Just can't be satisfied lord knows that I've tried  
That I've tried, that I've tried  
And it's so beautiful, it's so beautiful,  
It's so beautiful  
But it's not real, it's not real

Bright the sun the day is almost gone  
I sit and drink champagne I am very sane  
Smell this tea  
And dream of what could be  
Defeated yet again  
By tea with cinnamon  
As many braver men  
I might bounce back my friend

And it's so beautiful it's so beautiful  
It's so beautiful  
But it's not real, it's not real

Now it's night and I don't feel so bright  
My pulse is beating fast this will never last  
Another day is gone and I can not outrun  
The time is closing in let the sleep begin  
Let it begin, let it begin

And it's so beautiful it's so beautiful  
It's so beautiful  
It's so beautiful, it's so beautiful  
It's so beautiful  
But it's not real it's not real  
Ya, it's so beautiful, it's so beautiful  
It's so beautiful  
But it's not real, it's not real.
