Hey baby I'd like to talk to you  
How about coming back to my room for a little boom  
boom

You keep coming to me  
I can dig your dynamite  
Know the way you move  
Get in the groove  
You're driving me crazy, crazy for you

Second time you moved me  
It's time for us to Boom Boom  
You can come right close to me  
And feel the burning fire  
All the time you got me  
It's fine for us to boom boom  
If you see the spark in me  
And feel my strong desire

Boom Boom Boom  
Let's go back to my room  
So we can do it all night  
And you can make me feel right

Boom Boom Boom  
Let's go back to my room  
So we can do it all night  
And you can make me feel right

Do the honor to me  
Don't you know I like to bite  
Get to the view  
Closer to you  
You're driving me crazy, crazy for you

Second time you moved me  
It's time for us to Boom Boom  
You can come right close to me  
And feel the burning fire  
All the time you got me  
It's fine for us to boom boom

If you see the spark in me  
And feel my strong desire

Boom Boom Boom  
Let's go back to my room  
So we can do it all night  
And you can make me feel right

Boom Boom Boom  
Let's go back to my room  
So we can do it all night  
And you can make me feel right
